NOTICE

This is for the information of all research scholars that they are required to submit their registration extension application, duly recommended by their supervisor and endorsed by the DRC, two months prior to the expiry of their registration period.

Furthermore, all scholars are again directed to maintain satisfactory attendance throughout their research tenure. Failure to maintain the required attendance may result in non-entertainment of any claim for fellowship/scholarship. JRF scholars are specifically required to maintain regular attendance even after completion of their residency period in order to continue drawing their fellowship.

Scholars proceeding for fieldwork shall obtain prior approval from the competent authority through the proper channel, on the recommendation of their supervisor.

All scholars shall submit periodic research progress reports and comply with the academic, research, and other requirements prescribed by the University and/or the concerned funding agency.
